

Mikey Learns About Poison Safety

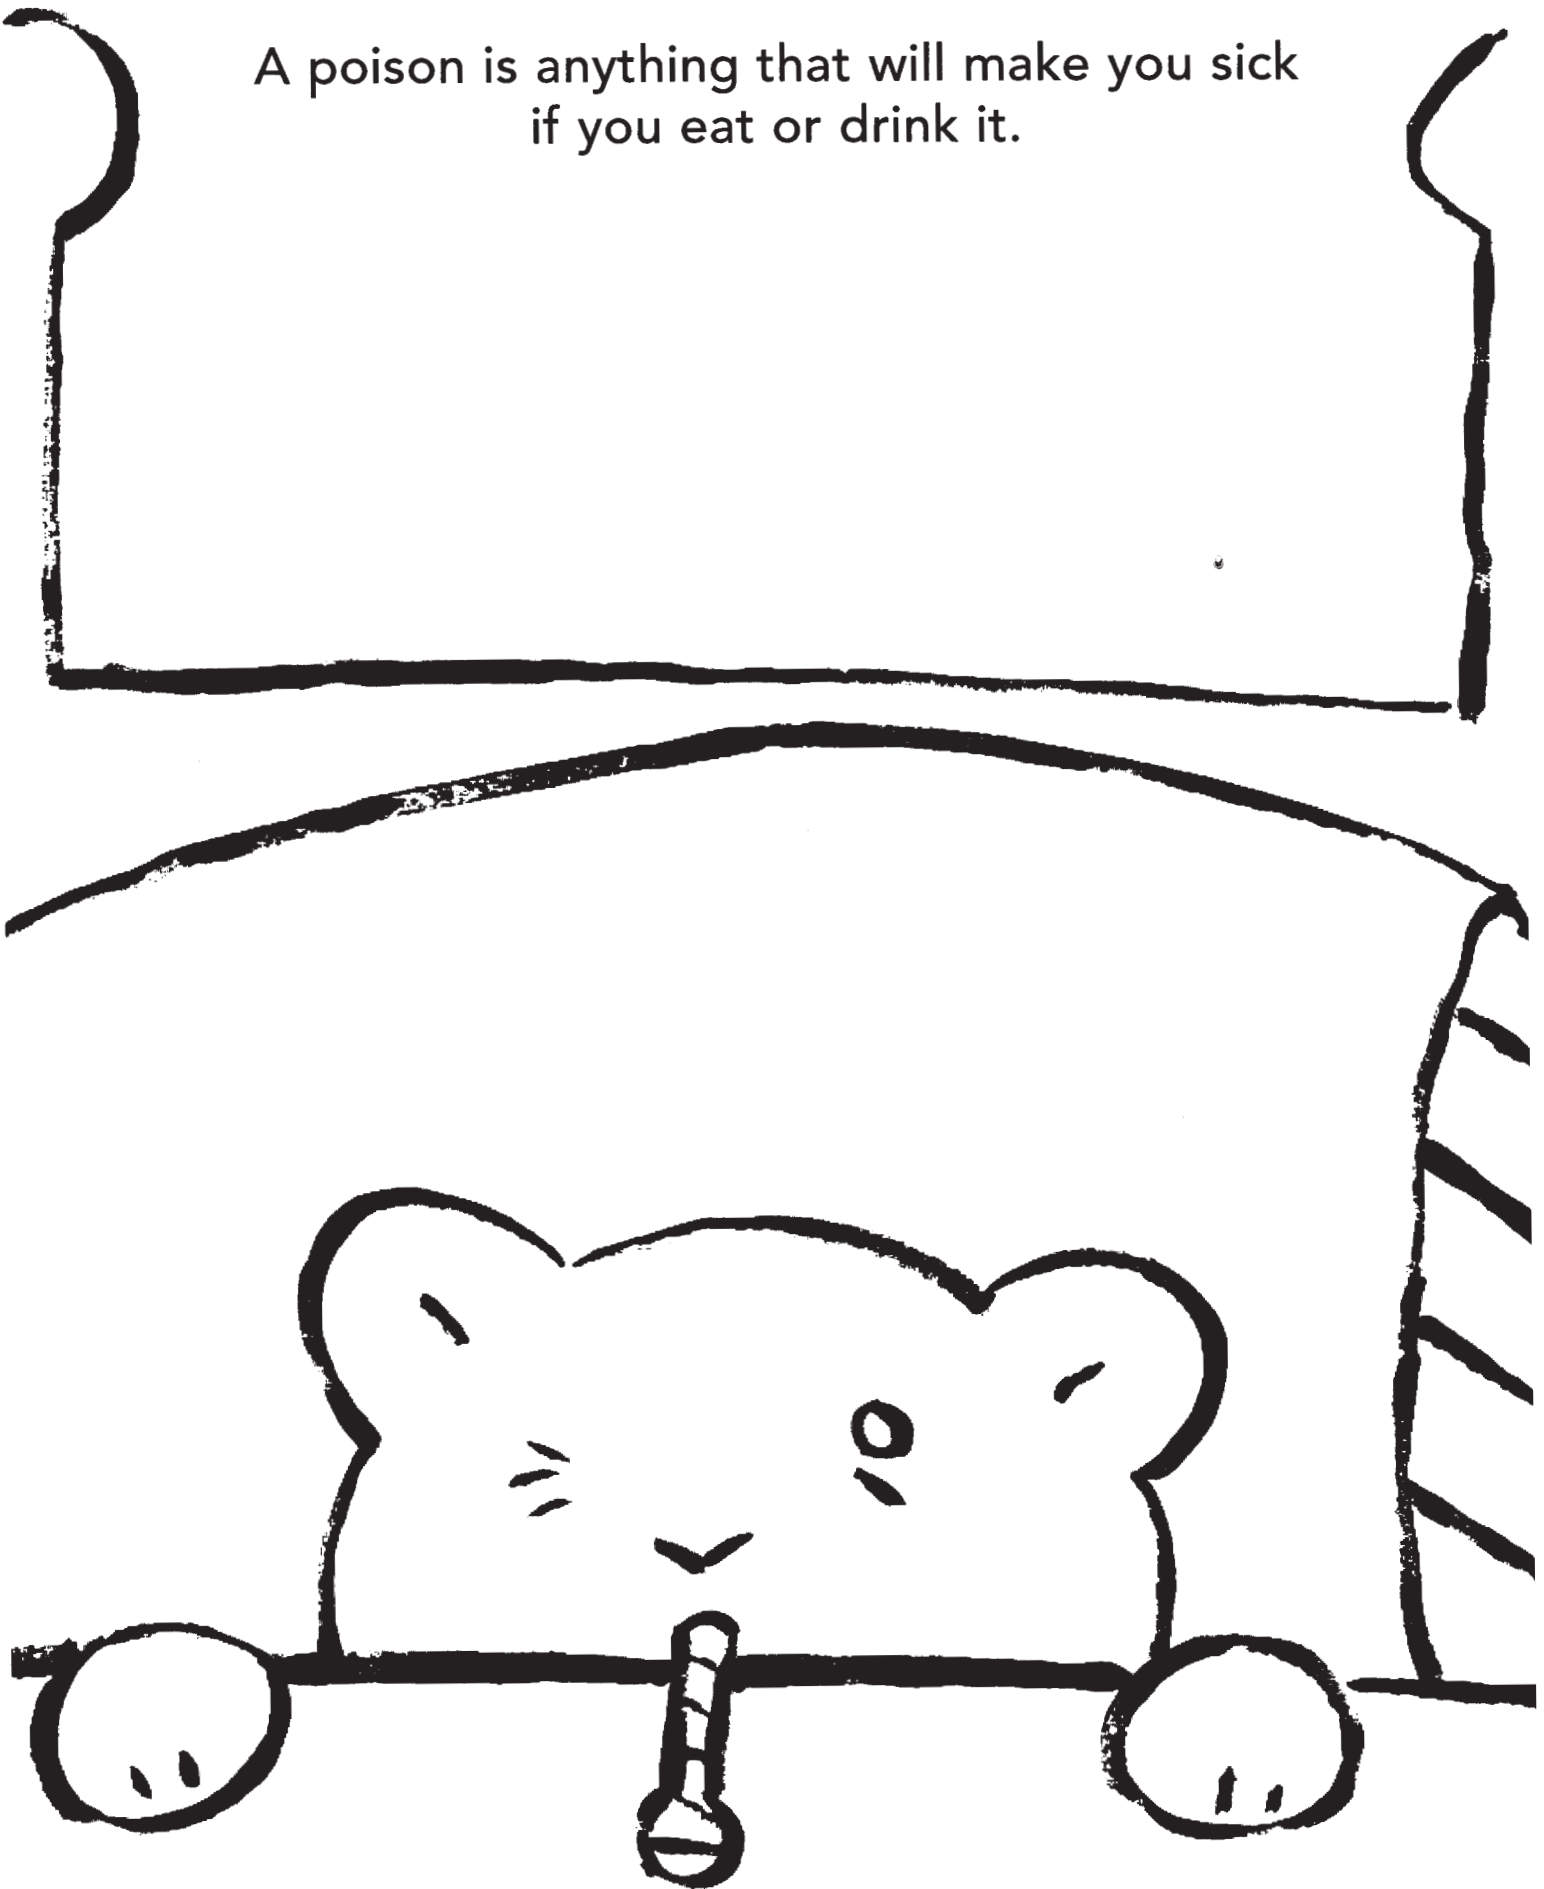

Texas Poison Center Network

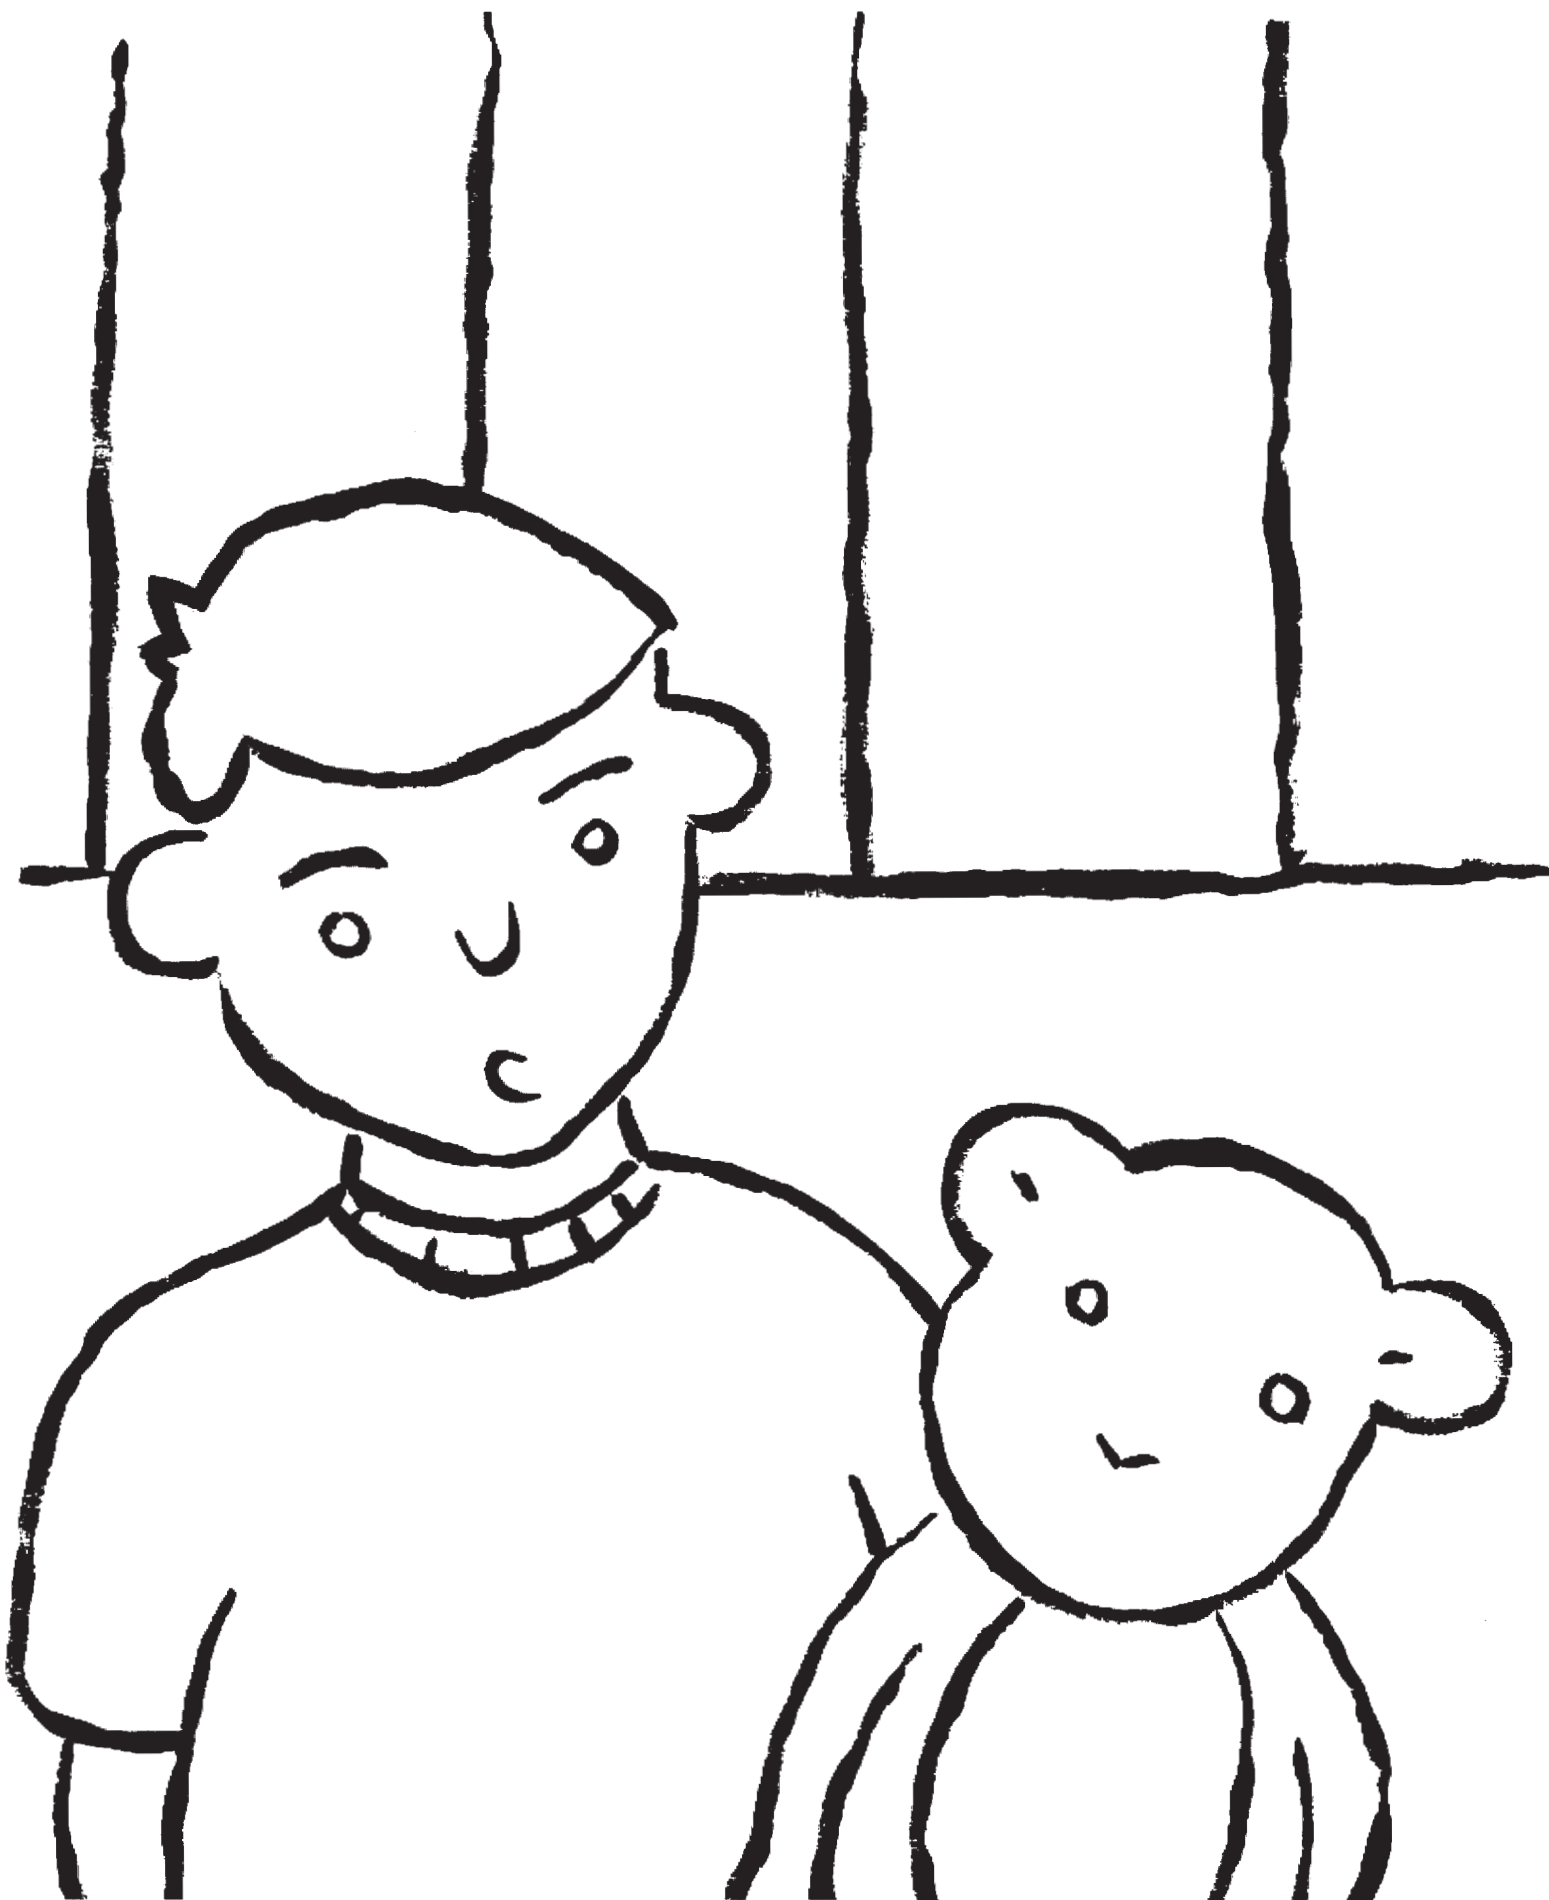

1-800-222-1222

In An Emergency Call 9-1-1

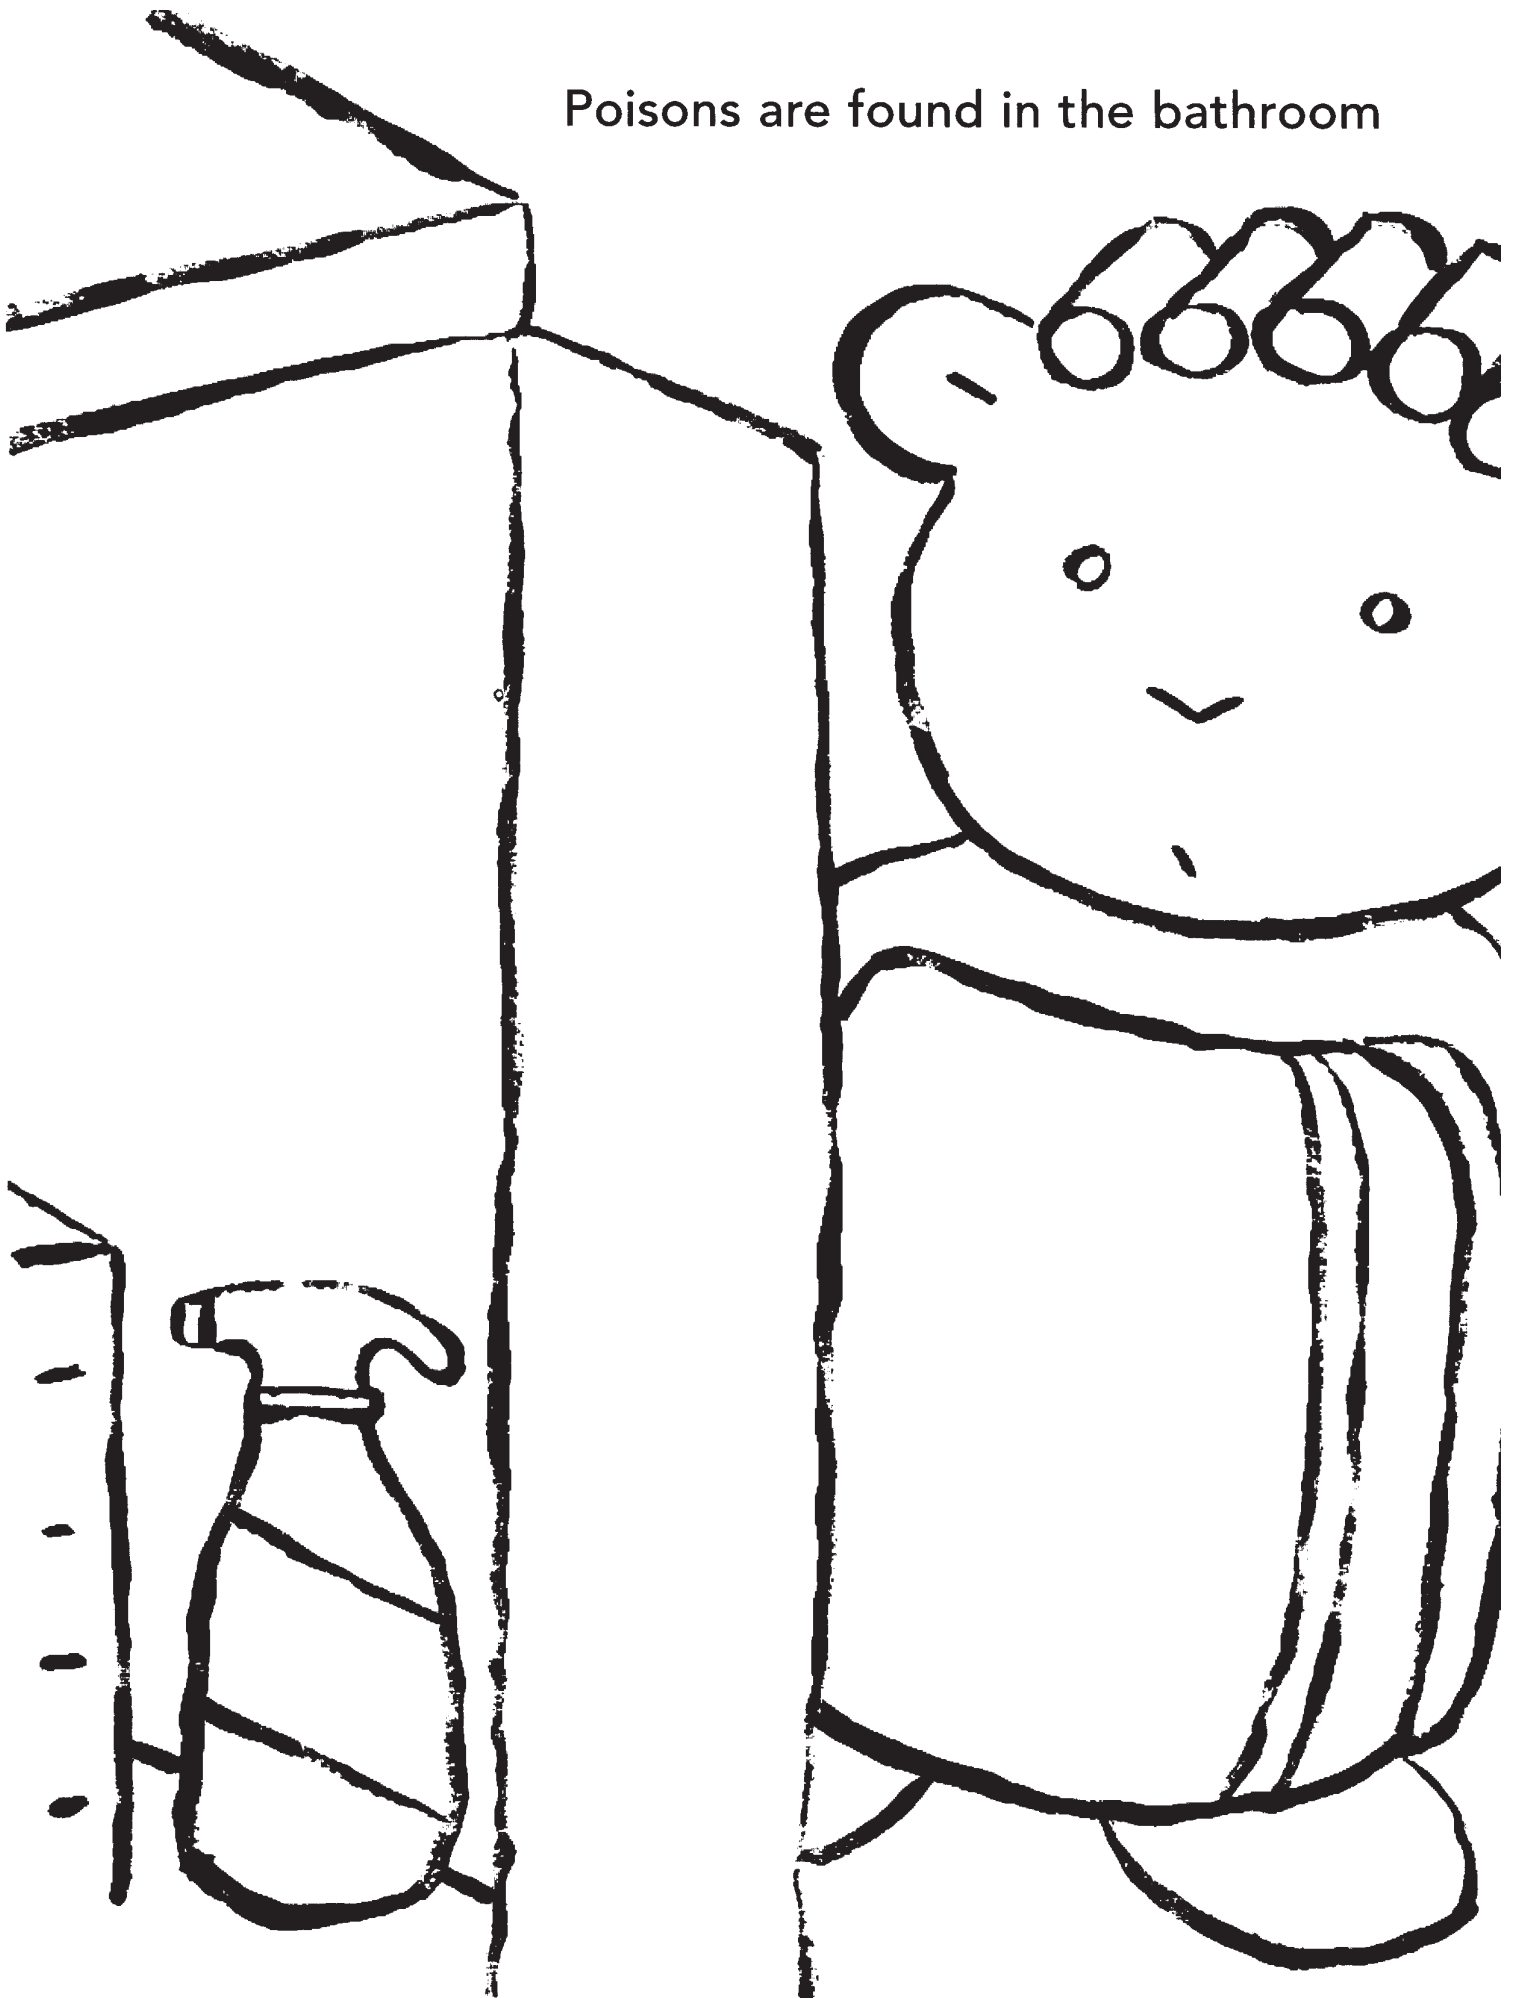

A poison is anything that will make you sick
if you eat or drink it.

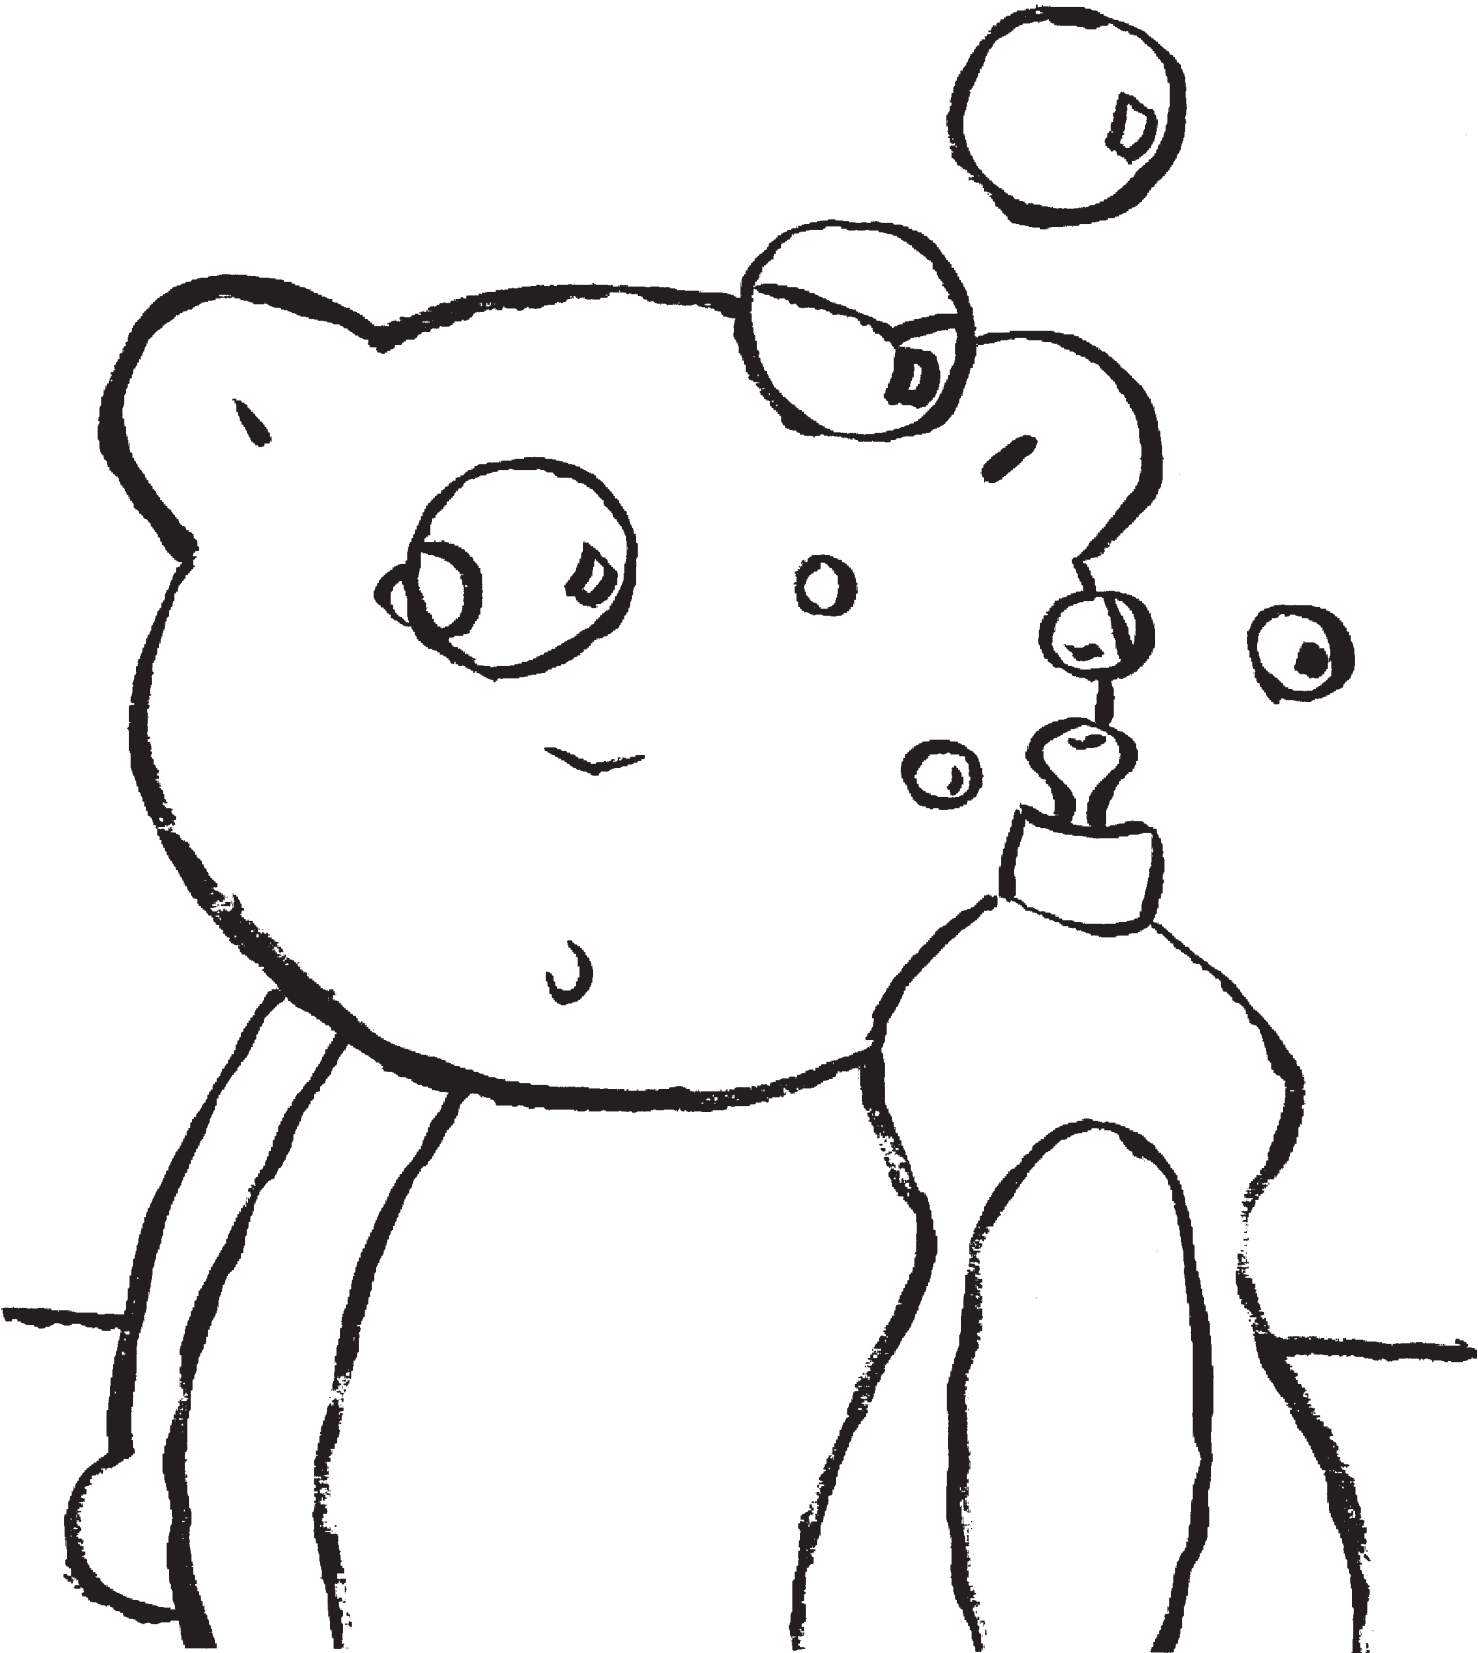

Mikey, I'm going to teach you about poisons in our home.

Poisons are found in the bathroom

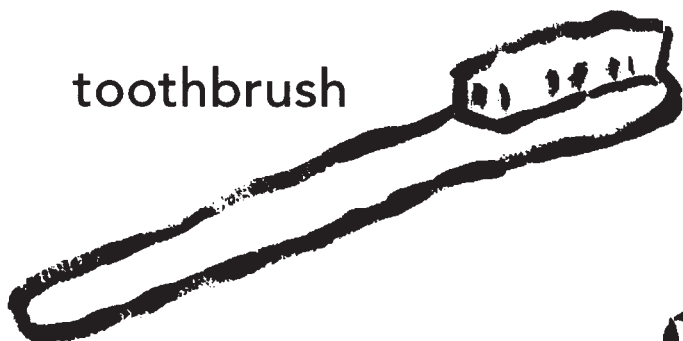

and the kitchen.

Color the things from the bathroom that are poisonous.

toothbrush

medicine

hair spray

nailpolish

aspirin

soap

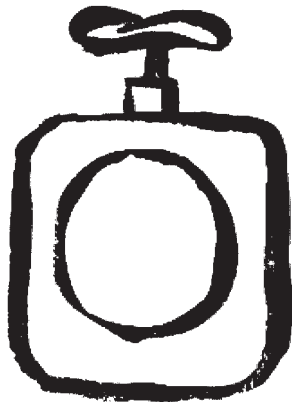

Draw an X over the things Mikey cannot eat from the kitchen.

apple

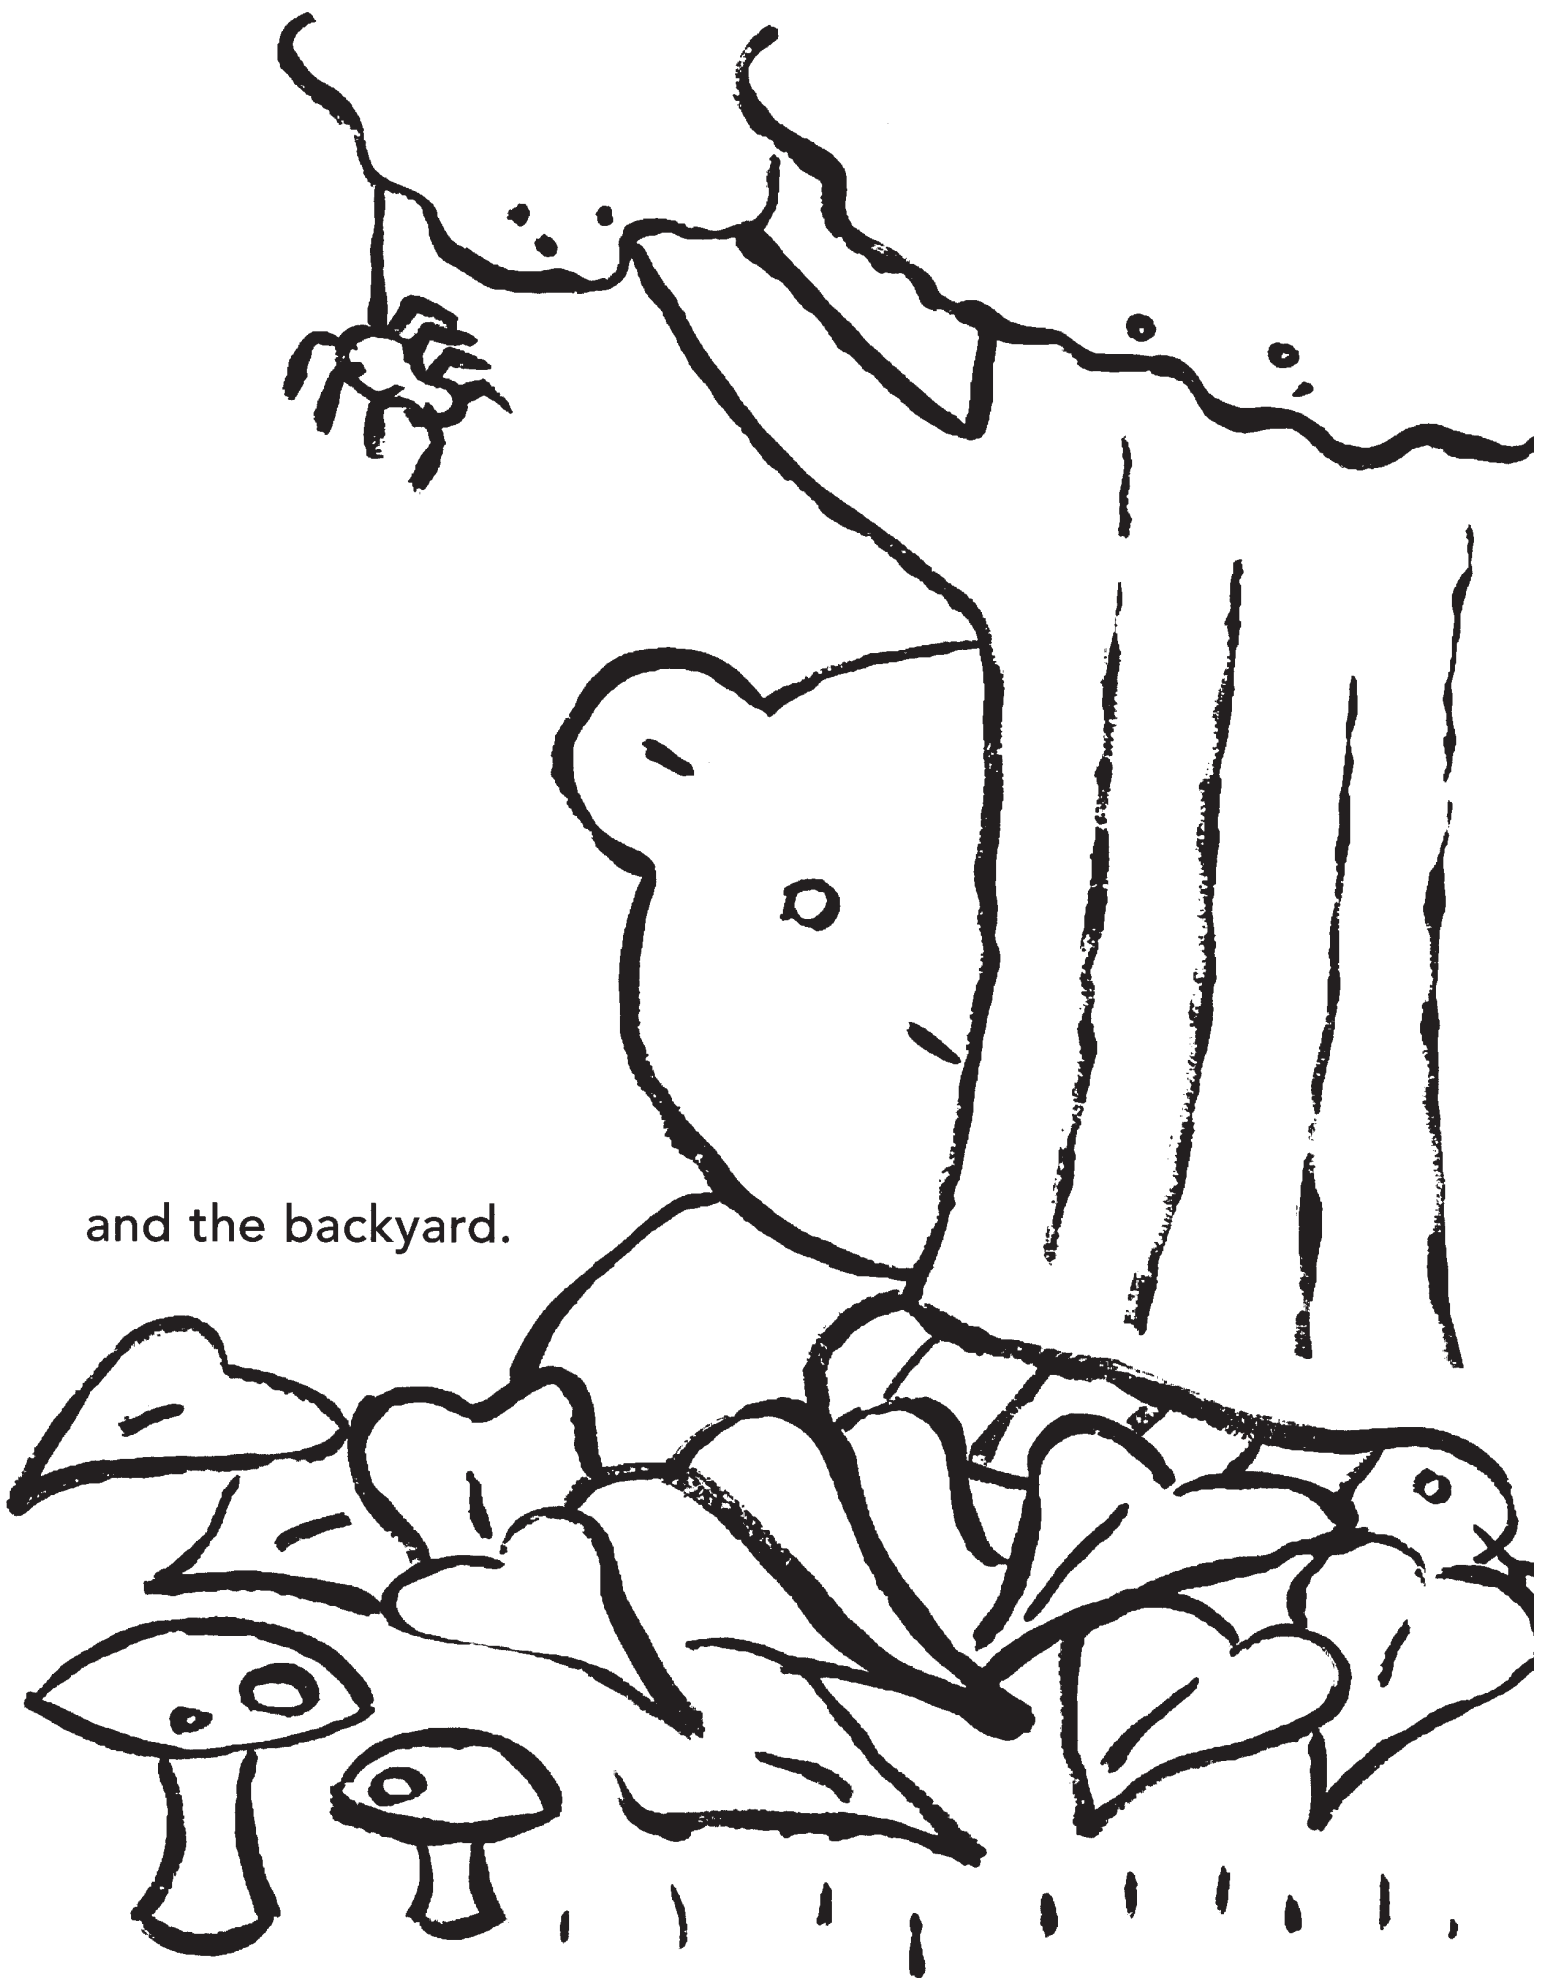

bleach

hand lotion

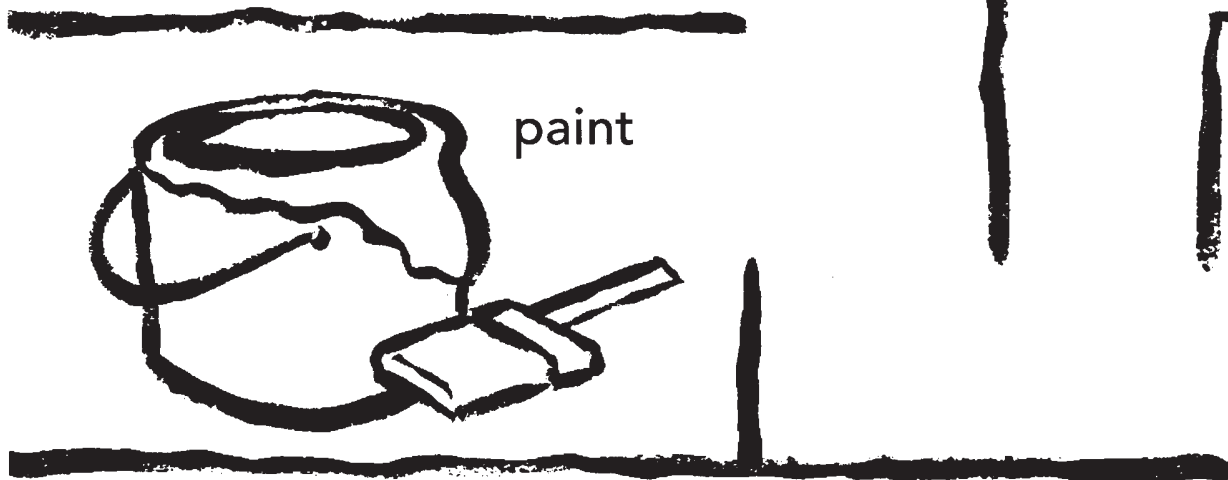

Poisons are found in the garage

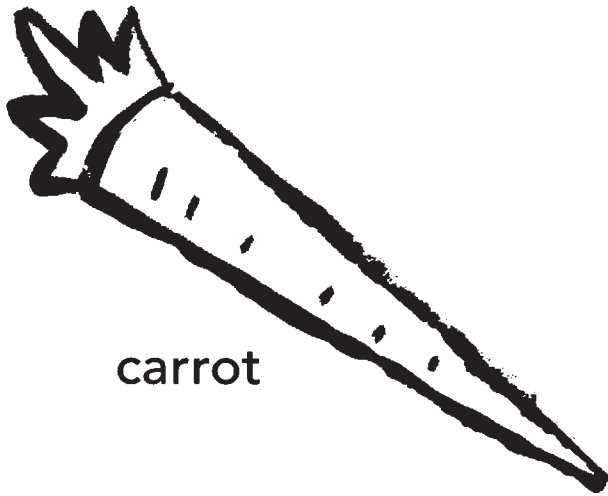

and the backyard.

Show Mikey a safe way to the kitchen door from the garage.

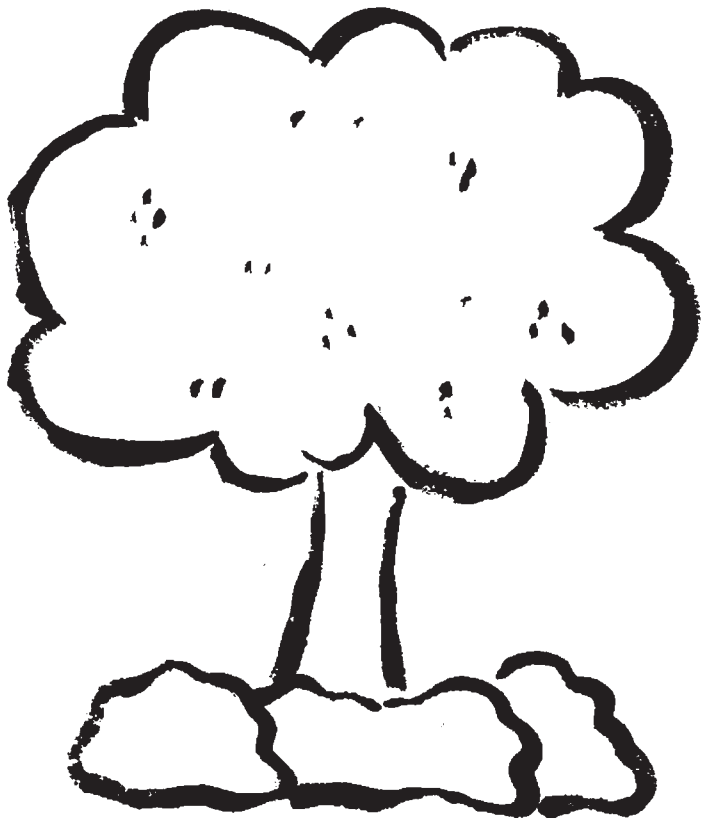

Color the plants from Mikey's backyard
that are poisonous.

carrot

holly

berries from trees
and bushes

mother-in-law plant
